The average points shown in column M is for the 4 regular season races.
If the rider has a ZERO (0) for a race the rider didn't race or DNF'ed.
Racers must show 4 results to qualify for year-end bonus points.

If a rider has a "P" for a race result, it indicates the rider raced in a different category and petitioned up. Rider that petition after the first race will use an average of 3 races in their newly assigned category.
